

25X1A6A

This paper is a "forecast"
of possible space requirements
at [REDACTED] had a copy
and showed it to me when I was
at the "Trends and Highlights" course.

25X1A9A

[REDACTED] did not desire this
to be sent to us, but agreed
I could leave a copy for "unofficial
information" only. It is to be
treated as such.
Jett.
